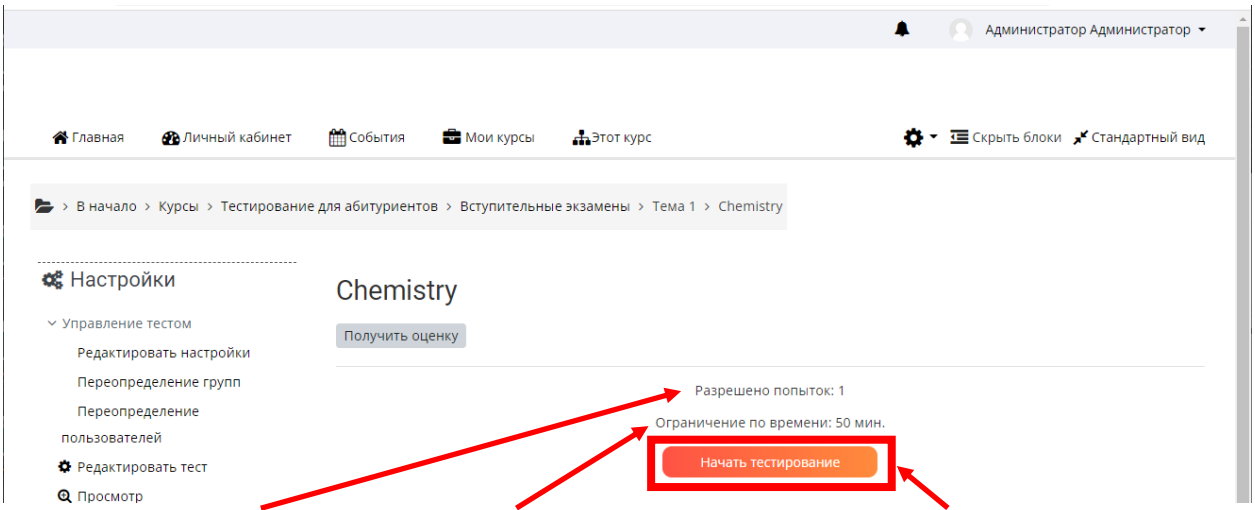
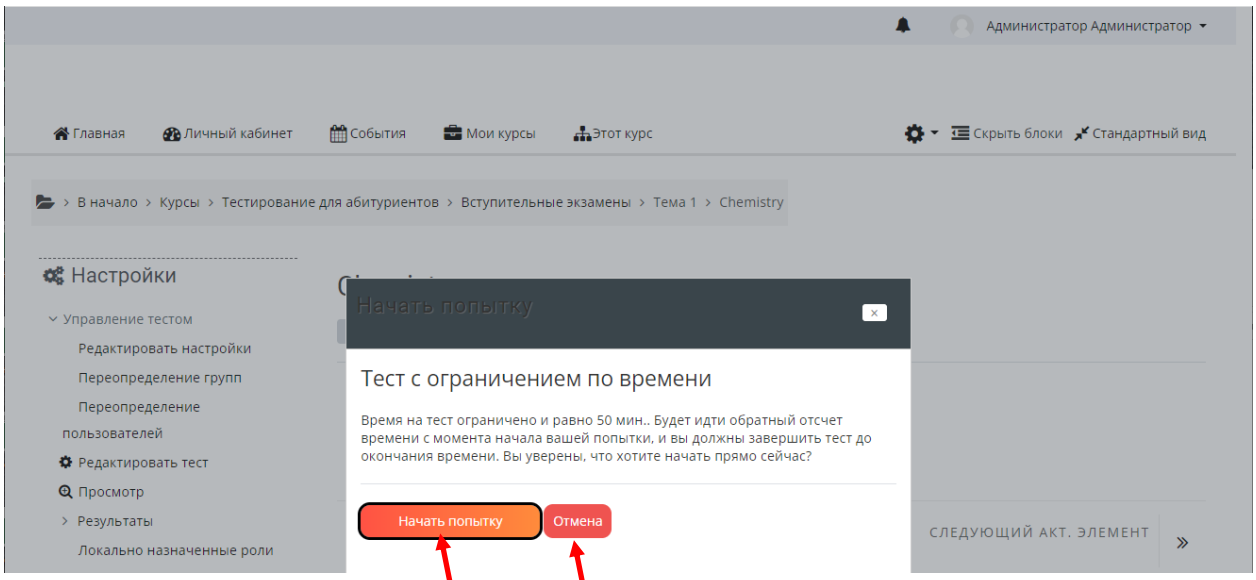
    - tap on «Start test»



Attempts allowed:1 Time limit: 50 min Start test

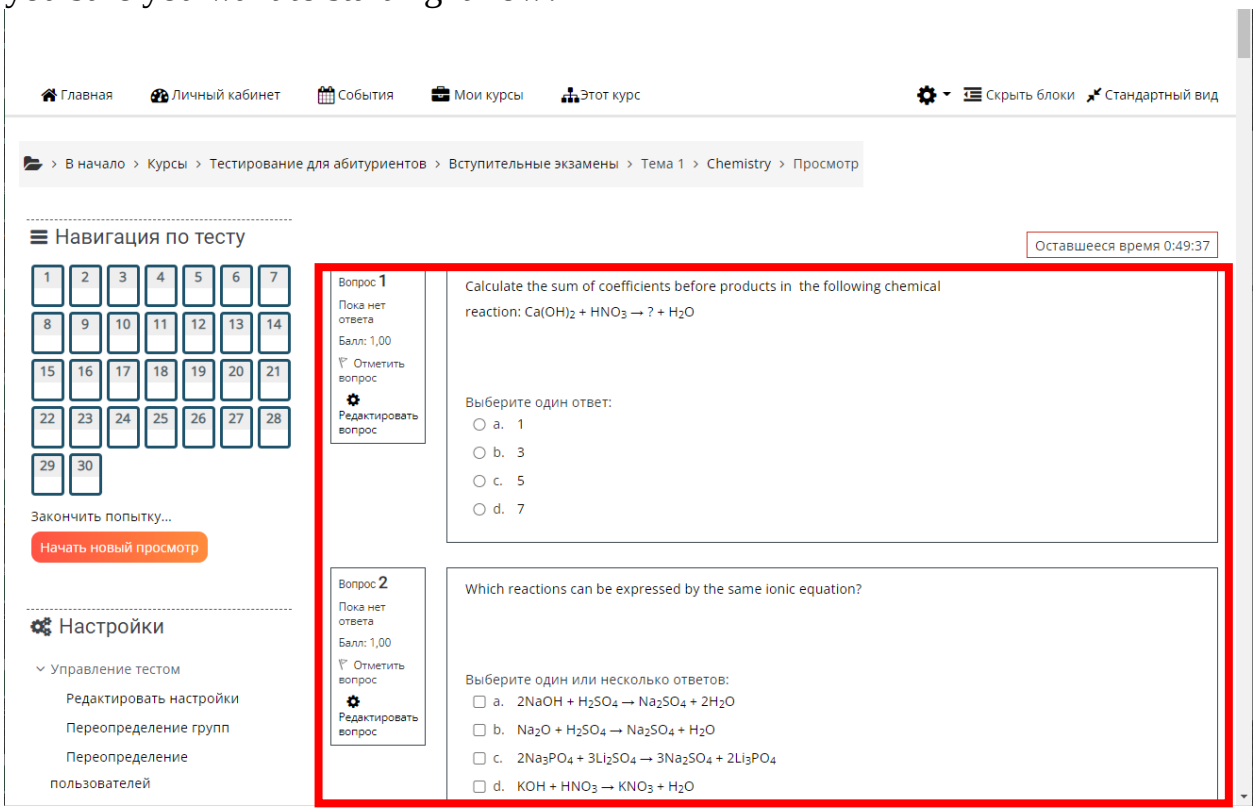
- tap on “Start test”



Start an attempt Cancel

Timed Test

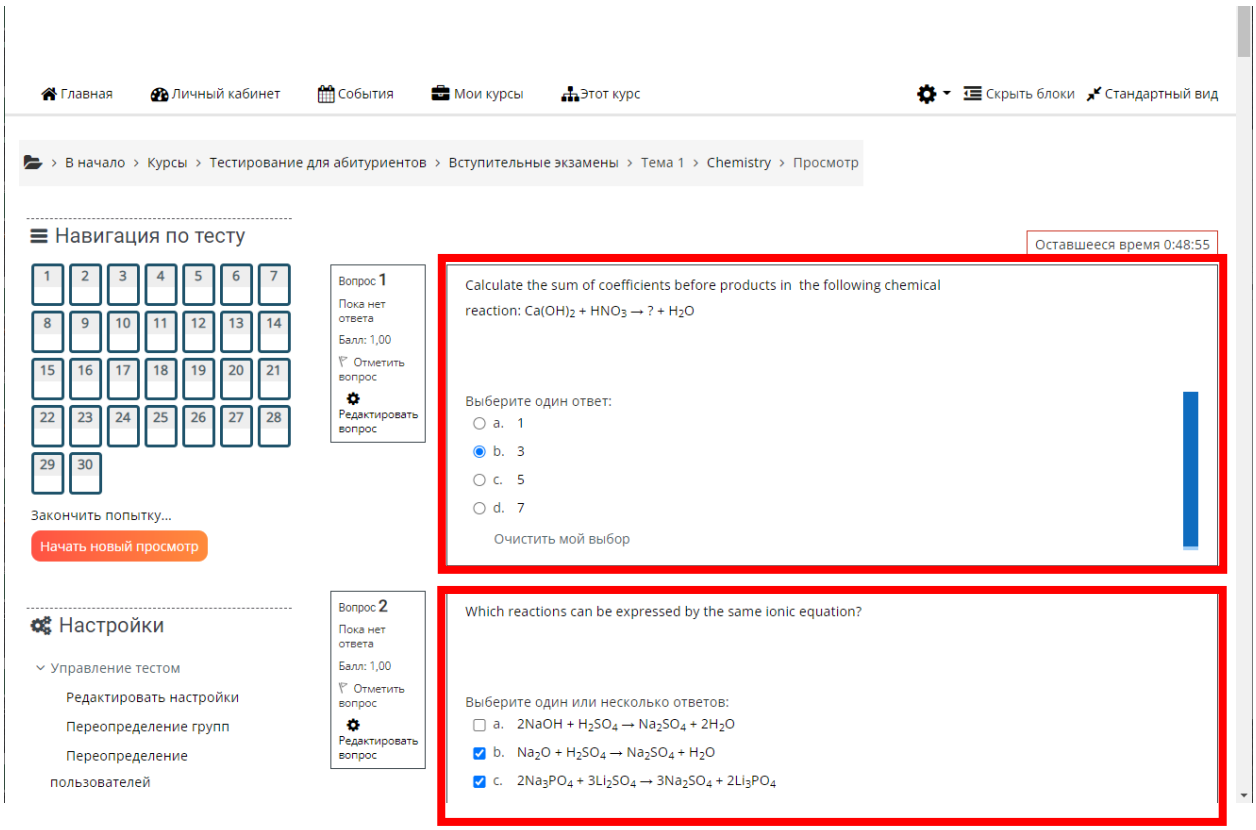
The time for the test is limited to 50 minutes. There will be a countdown from the start of your attempt, so you must complete the test before the time runs out. Are you sure you want to start right now?



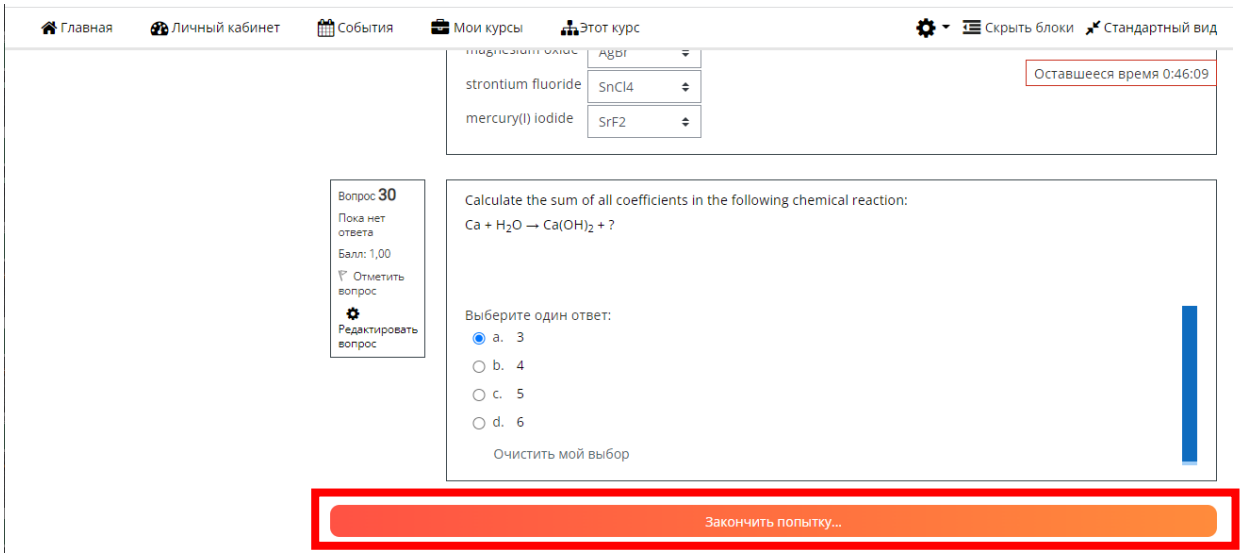
Choose one answer:

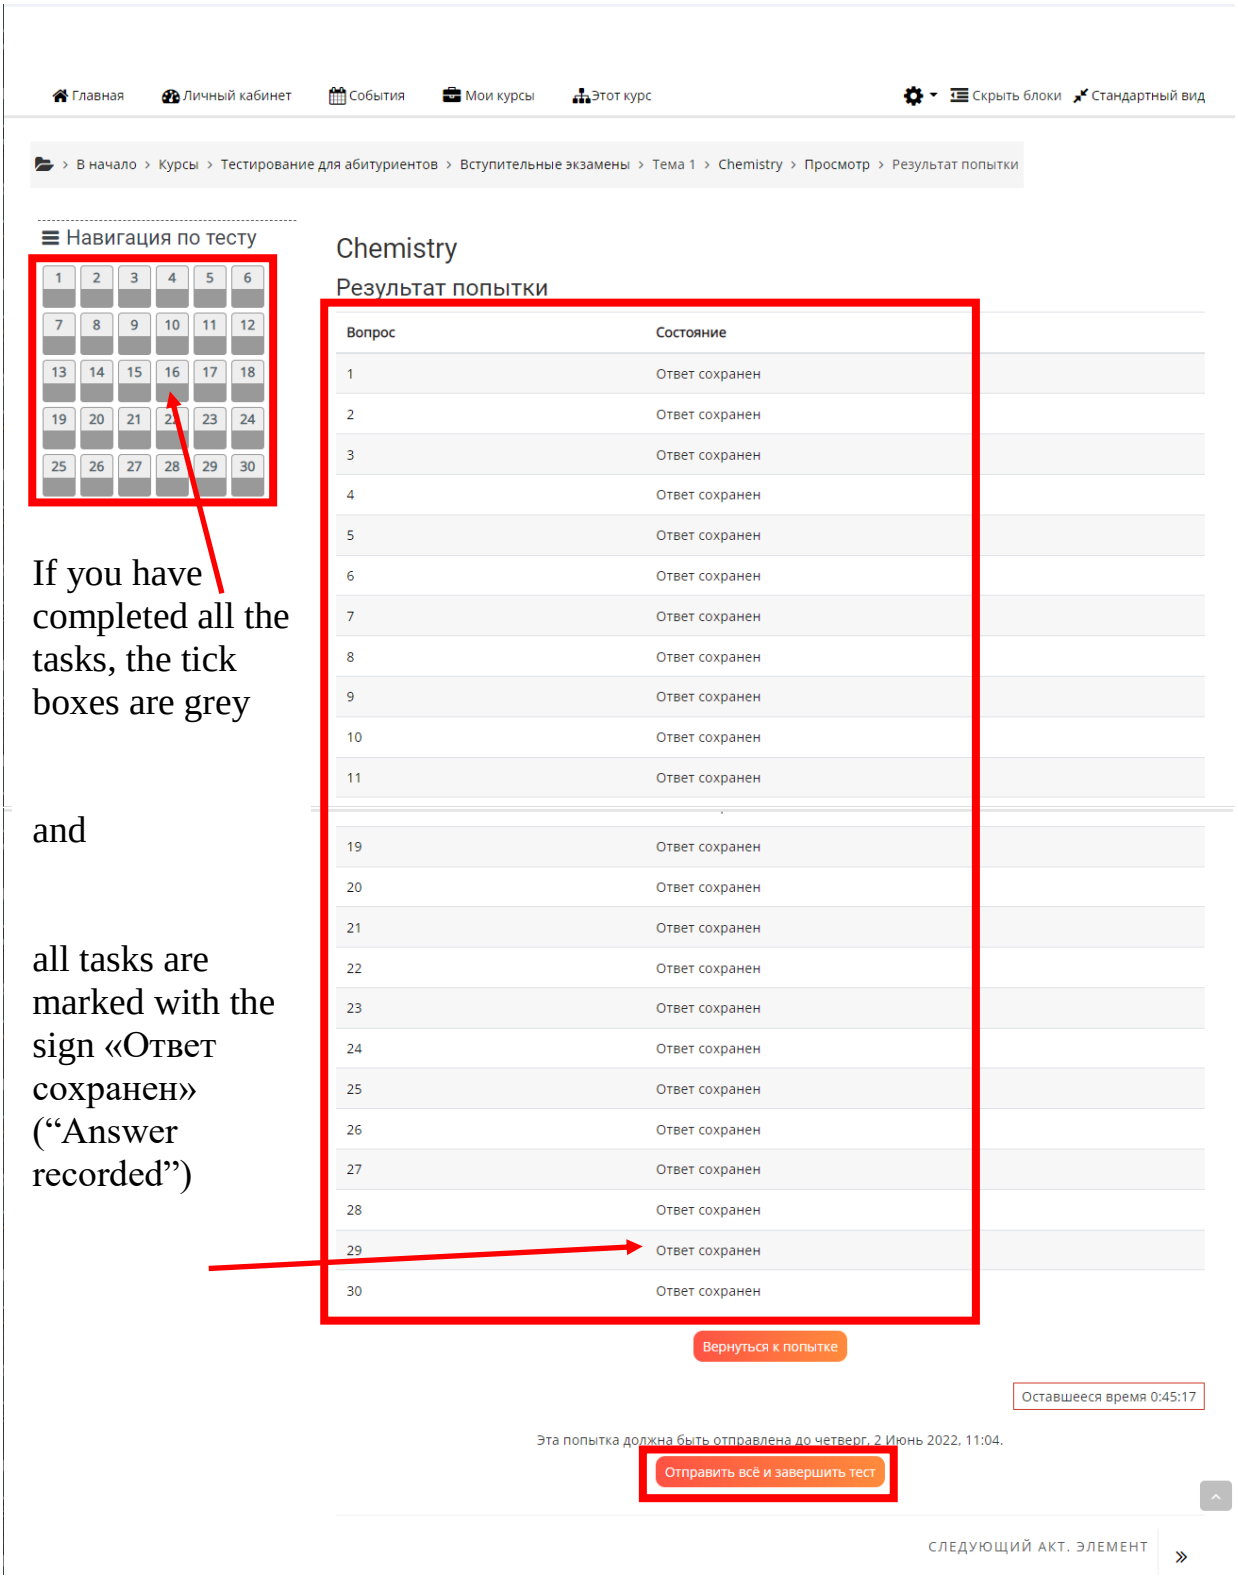
Choose one or more answers:

If the possible answers are mark with ○, there is only one correct answer. If the possible answers are mark with □, several correct answers are listed.



After you have completed all tasks of the testing, tap on «Закончить попытку» (“Complete an attempt”).



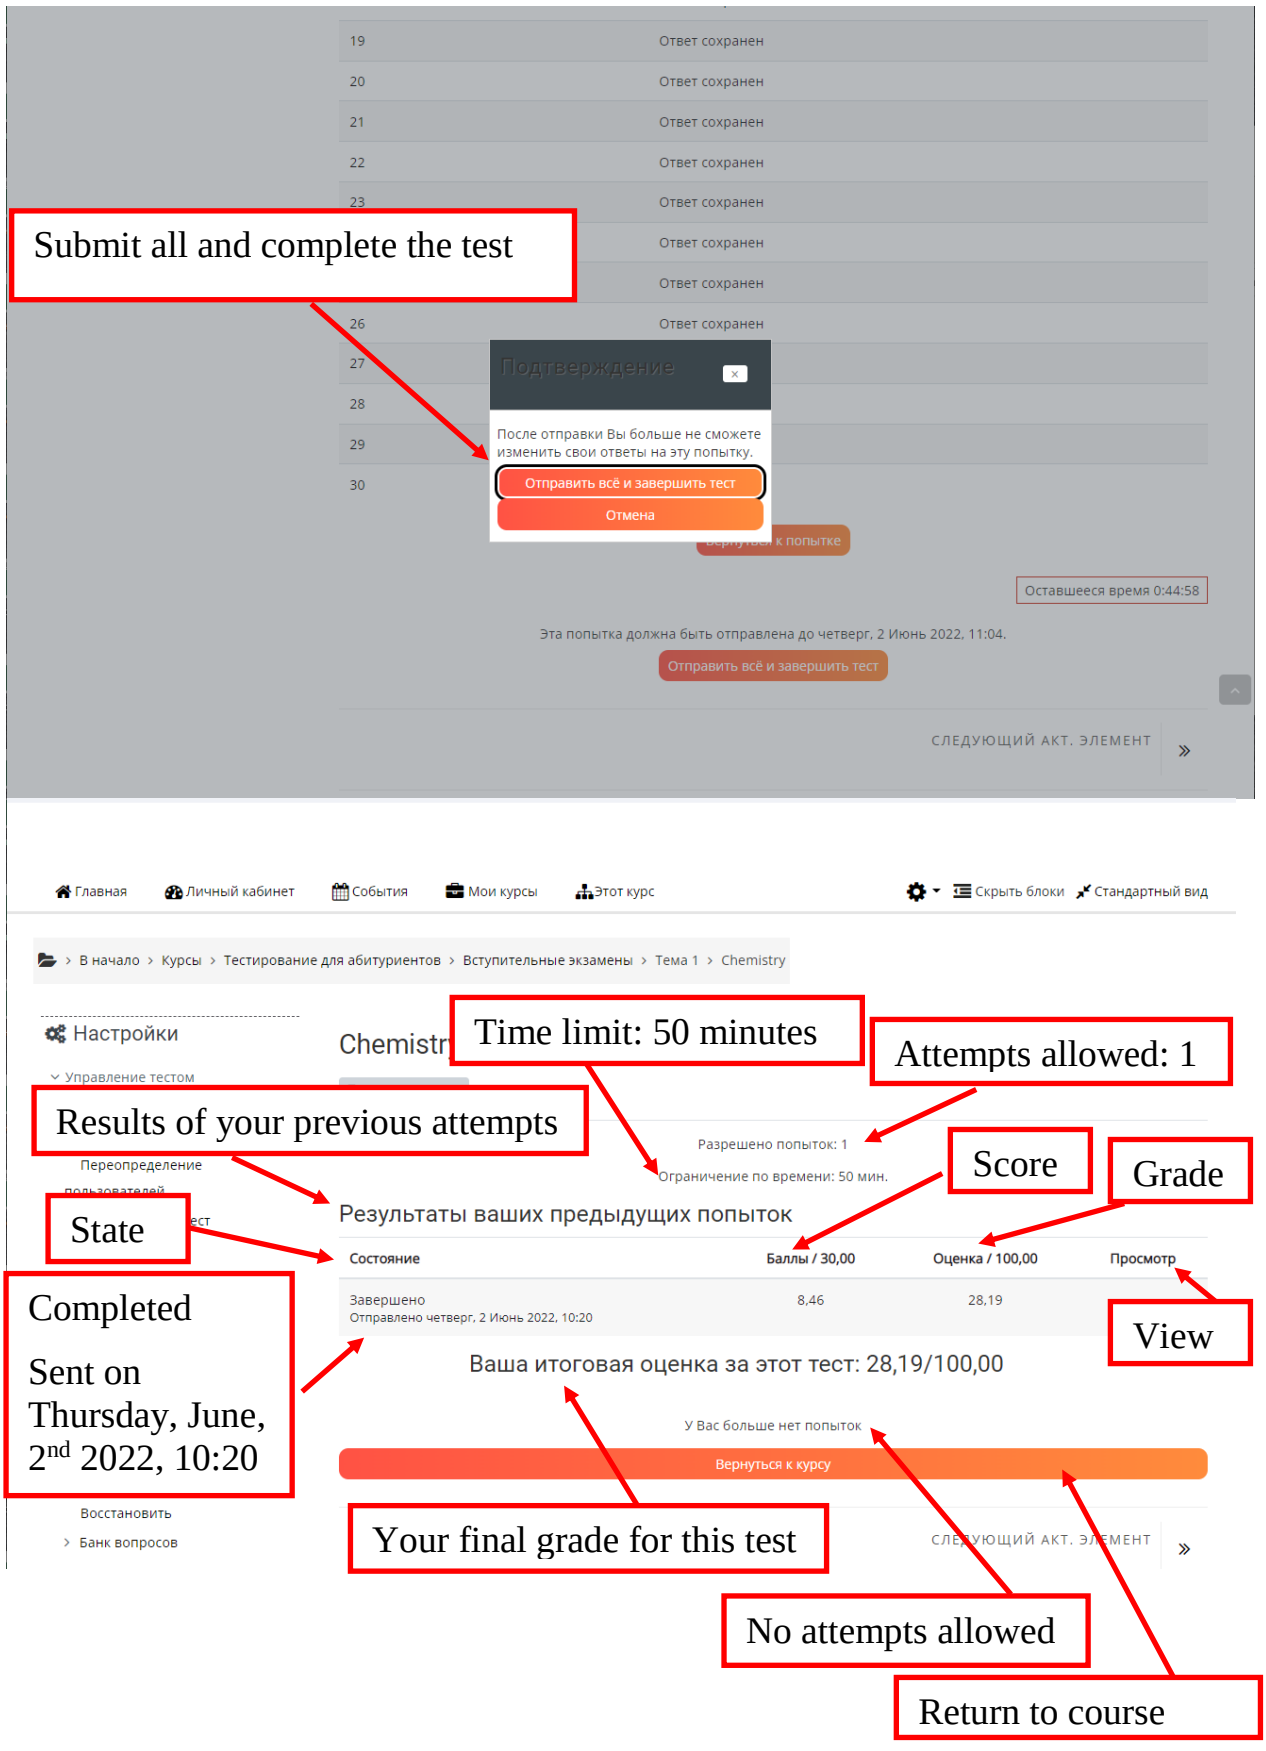


If you have completed all the tasks, the tick boxes are grey

and

all tasks are marked with the sign «Ответ сохранен» (“Answer recorded”)

If you answered all the questions, but you need to return to the test, then you tap on «Вернуться к попытке» (“Return to attempt”). If you answered all the questions and are ready to send the result for verification, then tap on «Отправить всё и завершить тест» (“Submit all and complete the test”).



Submit all and complete the test
